

Changing Lives
2020

Mission

Accelerating economic development in emerging economies through high-value job creation

GLOBAL PLATFORM FOR JOB CREATION

JOBS "HIGH VALUE"

Creating Jobs

Through entrepreneurship, innovation and skill development

Changing Lives

Through creating high-value jobs and empowering individuals to command those jobs

Scaling Impact

Through technology, network and partnerships across Asia, Africa and Latin America

I believe that high-quality jobs are the key to social progress and harmony, as well as to the growth and vitality of countries. This is why Wadhwani Foundation is laser-focused on large scale initiatives for driving job growth.

- Dr. Romesh Wadhwani,
Founder

Under the "Sahayata" (support, in Hindi) initiative, we refocused our work last year for succor in Covid times. We drove business protection programs for our SMEs, Covid safety training for frontline health workers and volunteers, online entrepreneurship training for the jobless and funding for companies who help fight Covid. Our technology-led approach enabled our partners to run our regular programs online without pause

- Dr. Ajay Kela
President & CEO

of the Philippines
[Know More](#)

Nenette launched Benibeani - an online market for local coffee.

The program gave me a roadmap for starting a venture with a higher chance of success. I could directly apply concepts from the videos to practice ventures for better learning. I learnt and gained a lot from mentoring.

Kajal Tanwar
Student,
SGT University
India
[Know More](#)

I never thought I will start my own venture during my studies

The course was very practical and helped us apply what we learnt. Master classes were especially useful. My personality has changed from an introvert to extrovert.

Kaustav Bhattacharjee

Kunaal Dudeja

Co-founder &
CEO, Virohan

The WCF team's mentorship and pragmatic approach made sure we ask ourselves the right questions, time and time again. The deep diligence helped us improve our processes and fine-tune our internal controls.

Mudit Dandwate

Co-founder &
CEO, Dozee

We have found our interactions with the WF team enlightening, especially when it came to creating impact- how to evaluate impact, how to effect change in non digital-savvy environments, understanding best practices from other healthcare startup systems

Dileep Raman

Co-founder,
CloudPhysician

WCF team provided us access to channel partners who are helping evangelize Cloudphysician services and product. In addition, they have connected us with healthcare experts who are showcasing our product offerings to SMEs in healthcare delivery
