# Start Right Initiative Introduction

This list is designed to help **entrepreneurs** by curating and carefully selecting the best publicly available content. Instead of creating new material, let's compile the existing valuable resources. With so many great resources, start better. Don't commit the known mistakes; commit the new ones.

If you have any suggestions for the list, [please suggest them here.](#)

# About Wadhvani Foundation

Wadhvani Foundation is a high-growth, not-for-profit tech organization dedicated to social good. Over two decades since its inception in 2001, the foundation with worldwide presence has focused on a simple, powerful mission: accelerating job growth and enabling millions to earn a family-sustaining wage and lead a dignified life.

The Foundation is positively impacting the lives of millions of individuals across multiple countries in Asia, Africa, and Latin America through its four core initiatives:

- 1) Entrepreneurship
- 2) Skilling
- 3) Innovation & Research
- 4) Government Digital Transformation
