HEAR FROM THE ALUMNI

Sudhir Patil | Founder of Leap Info | Pune

"Our association with the Wadhvani Foundation has been immensely valuable, giving us clearer strategic direction as we scale. The expert mentorship we received helped us make key decisions around market focus and financial discipline. We're already seeing a strong positive impact in both these areas and deeply appreciate the guidance provided."

Anay Mashruwala | Founder of Venus Engineering | Ahmedabad

"The program has been immensely valuable in helping us refine our approach to customers and build a more structured path for growth. The practical insights and guidance we received made a real difference in how we identify, reach, and engage with our target audience. The overall experience was truly worth the time invested."
